*SERVING CHILDREN PRE-KINDERGARTEN THROUGH GRADE EIGHT
“Stratford students will be stewards of their community”*

April 16, 2019

Dear Parent/Guardian

Our school is participating in a federal program available to select schools as part of the National School Lunch and School Breakfast Program called Community Eligibility Provision (CEP). This means that all students attending Stratford Public School are eligible to receive breakfast and lunch at no charge throughout the 2019-2020 school year regardless of family or household income.

However, some of the educational programs the district provides are funded from state dollars that require our school to collect household information for all students attending a CEP school. In order to collect the required information, the SAU office has developed the Household Income Information Questionnaire. This form is used to capture information and ensure that the district/school receives all of the funding it is entitled to for other federal and state funded educational programs.

Please take a moment to complete this form and return it Stratford Public School. Your participation is essential, in order for us to provide the SAU office with the information it needs to ensure our school will continue to receive critical federal and state funding for these educational programs.

Thank you in advance for your cooperation in this important matter. If you have any questions, please contact Sandra Adams (Principal) at 922-3387 or Patricia Brown (Business Administrator) at 636-1437.
