SAU #58 Families and Students,

What a great day! We provided meals to over 65% of our students. That was very impressive considering it's our first day on very short notice.

There is one small change starting tomorrow. **The “in-town” bus will only park at the Groveton PD parking lot for two hours (8:00-10:00) in the mornings.** There will be no other site for pickups. This stop is for **all** SAU 58 students from Stark, Stratford and Groveton schools.

We also have five buses going door to door and they will be leaving Groveton High School at 8:00 am to start delivering in all three districts. These are the routine bus routes that are “**out of town**” and not considered walkers.

If your child is on one of our regular bus routes, we will deliver to your door. Please keep an eye out for the big yellow buses and meet us if you can. If not, we will leave it at your door (**coolers outside would be appreciated**).

We're meeting with the state daily and there are more positive changes coming with food availability. We will keep you updated regularly. Grandparents, friends and neighbors can pick up meals for your students.

Respectfully,

Patricia Brown  
Business Administrator
